From: _____
Cooperator Name(s) Phone #

Mailing Address City, State Zip

I am interested in developing and conserving my soil, water, vegetative and related resources. In order to properly plan, apply, and maintain the needed resource conservation and development practices, I request your assistance on the following land(s):

(Description and Location)

I understand assistance is contingent upon staff availability and must be done in conformance with the district's policies and priorities set by the SWCD Board.

I hereby grant the conservation district's representative(s) access to the above listed land for the purposes of investigating the resource concern.

This agreement will stay in effect until I or the district cancels it in writing or until my connection with the land ends.
